Depending which State you live in, use the appropriate Barcode or QR code for your state. Just wave the barcode under the machine scanner and feed your bottles/cans in, and your donated funds will go straight into the Cans 4 Vans account. Those funds will then be used to purchase wheelchair-accessible vehicles for low income NDIS clients that have no chance of ever buying their own. Your donation may be little but the more people we can get doing this, the

bigger the effect and the more Make Me Mobile can change these families/clients lives for the better. Thanks for your support.
